Article VIII. Risk Management

1. American Medical Women's Association (Pre-Medical Chapter) at UC San Diego is a registered student organization at University of California, San Diego, but not part of the University itself.
2. American Medical Women's Association (Pre-Medical Chapter) at UC San Diego understands that the University does not assume legal liability for the actions of the organization.

3. In Case of:
 - 3.1. Interaction with Minors and/or the Elderly
 - 3.1.1. American Medical Women's Association (Pre-Medical Chapter) at UC San Diego is aware that all registered student organizations that serve minors or the elderly have access to training on child and elder abuse prevention for its members via the Center for Student Involvement, online or in person (in person by request only). American Medical Women's Association (Pre-Medical Chapter) at UC San Diego will develop plan(s) for activities and events where members will be interacting with minors or the elderly such that members will receive education and/or training on Child Abuse Neglect Reporting Act (CANRA), common sense measures to both avoid child or elder abuse allegations (i.e. avoiding one-on-one situations; working with minors in plain view of others; limiting calls/texts/social media posts or other communications with minors), and how to properly report potential harm or neglect to minors or the elderly with whom they are working.
 - 3.2. The Provision of Medical Assistance
 - 3.2.1. In the event that American Medical Women's Association (Pre-Medical Chapter) at UC San Diego provides medical assistance to a community, all volunteers will work under the direction of licensed professionals (doctors, nurses, counselors, etc.). The University does not recommend that students provide medical assistance.
 - 3.3. International Travel
 - 3.3.1. American Medical Women's Association (Pre-Medical Chapter) at UC San Diego recognizes that the University generally recommends against all international travel by Student Organizations due to the myriad of risks travelers face in foreign countries. Student organizations are discouraged from traveling to foreign countries due to the wide variety of risks involved with foreign travel, and the extensive planning efforts required by the Student Organization's Members to manage those risks. Security risks and health care services vary widely from one country to another, so thorough research on those topics is especially important.
 - 3.3.2. International travelers are advised to research US State Department Travel Advisories and the CDC Travel Health site and abide by all recommended alerts and warnings, and procure travel insurance with medical coverage that covers their chosen

destination because most USA Health Plans are not valid in foreign countries.
