

THETA TAU, EPSILON DELTA CHAPTER
AT THE UNIVERSITY OF CALIFORNIA, SAN DIEGO

ARTICLE I. NAME OF STUDENT ORGANIZATION*

The organization shall be called [Theta Tau] at UC San Diego.

ARTICLE II. STATEMENT OF PURPOSE*

[The purpose of Theta Tau is to develop and maintain a high standard of professional interest among its members, and to unite them in a strong bond of fraternal fellowship. We are a pre-professional engineering organization established for the development of the brothers of the fraternity.]

ARTICLE III. NONPROFIT STATEMENT*

[Theta Tau] at UC San Diego is a non-profit student organization.

ARTICLE IV. REQUIREMENTS FOR MEMBERSHIP*

[All members of the Fraternity are responsible for upholding the purpose of the Fraternity not only when representing the Fraternity, but in all aspects of life.]

Brotherhood

1. We foster lifelong bonds of fraternal friendship, a journey that develops and delivers a network of lasting personal and professional relationships.
2. We foster an inviting, safe, and social environment in which our members become lifelong friends.

Professionalism

1. We develop and nurture engineers with strong communication, problem-solving, collaboration, and leadership skills that we demonstrate in our profession, our community, and in our lives.
2. We aim to provide the brothers with social and professional development necessary to succeed during and after their college careers.

Community

1. We are known for our service to our college, university, and the larger community.
2. Our service projects create a unifying environment for learning and personal growth for our members.

Both undergraduate and graduate students are eligible for membership. Eligible students must be at least 18 years of age, have a major under the Jacob School of Engineering with a 2.5 GPA. All prospective members must meet eligibility requirements to

become a member of the fraternity. One may become a prospective member of our organization through an invitation given by the fraternity. The fraternity dues are approximately \$100-200 a quarter. A member can remain in the organization if she/he fails to pay dues because she/he will accrue debt over time.

ARTICLE V. FREQUENCY OF ORGANIZATION MEETINGS*

[Theta Tau holds general body meetings about once a week or once every other week. Meeting times are decided through surveying the active body's schedule and selecting the best time possible each quarter. Meetings minutes are taken for most meetings in order to disseminate information. For most information, things are often posted on the our members-page and slack to keep everyone up-to-date.]

ARTICLE VI. QUALIFICATIONS FOR HOLDING OFFICE AND METHODS OF SELECTING AND REPLACING OFFICERS*

Only registered UC San Diego students may hold office in the organization. Only registered UC San Diego students may vote in elections for the selection of the organization's officers.

Officer elections will occur at the end of spring quarter every year. Individuals may nominate themselves or another individual. The person with the greatest number of votes will be constituted as the winner.

1. Spring/Summer will be used as a transition period between officers. At this time, all members are responsible for assisting new officers whether or not the member has graduated.
2. Officers will take position at the end of Spring Quarter.
3. Removal of an officer position requires 2/3 cabinet approval.
4. The regent and vice regent will assume the position until a replacement is elected.
5. Executive Officer Positions are as follows: a. Regent b. Vice Regent c. Treasurer d.

Corresponding Secretary e. Scribe

6. Cabinet Positions are as follows: a. Professional b. Brotherhood c. Philanthropy d. Recruitment e. Fund-raising f. New Member Instructor g. Special Events h. External Events i. Academics j. Web Development

ARTICLE VII. RISK MANAGEMENT*

[Theta Tau] at UC San Diego is a registered student organization at University of California, San Diego, but not part of the University itself.

[Theta Tau] at UC San Diego understands that the University does not assume legal liability for the actions of the organization.

1. Handling materials/equipment/machinery

We ensure any of these uses of the materials above are conducted in laboratories that are supervised by the proper facilities on-campus at the University of California, San Diego.

ARTICLE VII. SECTION 4. IN CASE OF HANDLING OF HAZARDOUS CHEMICALS, MATERIAL, EQUIPMENT,
AND/OR MACHINERY

[Theta Tau] at UC San Diego recognizes that all student organization activities must be conducted safely, in accordance with all applicable federal, state and local laws. Additionally, [Theta Tau] at UC San Diego will abide by UC San Diego requirements for students in labs, including policies for minors in UC laboratories, and ensure members receive safety training regarding the use of chemicals and/or machinery before entering the lab. Members must follow any best practices and lab safety protocols for the use of such chemicals, research equipment or machinery, including the appropriate use of Personal Protective Equipment, and should work under close supervision of those trained in the handling of chemicals/use of research equipment or machinery.
