ARTICLE VII. RISK MANAGEMENT

Global Medical Missions Alliance at UC San Diego is a registered student organization at the University of California, San Diego, but not part of the University itself.

Global Medical Missions Alliance at UC San Diego understands that the University does not assume legal liability for the actions of the organization.

ARTICLE VII. SECTION 1. IN CASE OF INTERACTION WITH MINORS AND/OR THE ELDERLY

Global Medical Missions Alliance at UC San Diego is aware that all registered student organizations

GLOBAL MEDICAL MISSIONS ALLIANCE AT UC SAN DIEGO CONSTITUTION – 2024-2025 ACADEMIC YEAR

that serve minors or the elderly have access to training on child and elder abuse prevention for its members via UC Learning <https://uclearning.ucsd.edu> . Global Medical Missions Alliance will develop plan(s) for activities and events where members will be interacting with minors or the elderly such that members will receive education and/or training on Child Abuse Neglect Reporting Act (CANRA), common sense measures to both avoid child or elder abuse allegations (i.e. avoiding one-on-one situations; working with minors in plain view of others; limiting calls/texts/social media posts or other communications with minors), and how to properly report potential harm or neglect to minors or the elderly with whom they are working.

ARTICLE VII. SECTION 2. IN CASE OF THE PROVISION OF MEDICAL ASSISTANCE

In the event that Global Medical Missions Alliance at UC San Diego provides medical assistance to a community, all volunteers will work under the direction of licensed professionals (doctors, nurses, counselors, etc.). The University does not recommend that students provide medical assistance.

ARTICLE VII. SECTION 3. IN CASE OF INTERNATIONAL TRAVEL

Global Medical Missions Alliance at UC San Diego recognizes that the University generally recommends against all international travel by Student Organizations due to the myriad of risks travelers face in foreign countries. Student organizations are discouraged from traveling to foreign countries due to the wide variety of risks involved with foreign travel, and the extensive planning efforts required by the Student Organization's Members to manage those risks. Security risks and health care services vary widely from one country to another, so thorough research on those topics is especially important.

International travelers are advised to research US State Department Travel Advisories and the CDC Travel Health site and abide by all recommended alerts and warnings, and procure travel insurance with medical coverage that covers their chosen destination because most USA Health Plans are not valid in foreign countries.

ARTICLE VII. SECTION 4. IN CASE OF HANDLING OF HAZARDOUS CHEMICALS, MATERIAL, EQUIPMENT, AND/OR MACHINERY

Global Medical Missions Alliance at UC San Diego recognizes that all student organization activities must be conducted safely, in accordance with all applicable federal, state and local laws. Additionally, Global Medical Missions Alliance at UC San Diego will abide by UC San Diego requirements for students in labs, including policies for minors in UC laboratories, and ensure members receive safety training regarding the use of chemicals and/or machinery before entering the lab. Members must follow any best practices and lab safety protocols for the use of such chemicals, research equipment or machinery, including the appropriate use of Personal Protective Equipment, and should work under close supervision of those trained in the handling of chemicals/use of research equipment or machinery.
