The standing committee consists of all officers. Officers are required to meet every week in the academic school year.

ARTICLE VI. SECTION 3 OFFICER ELECTIONS, PROCESS, AND ELIGIBILITY

Officer elections are held every end of April/beginning of May. All Officer positions are open to due-paying members, and an Officer's term may not exceed one term in the same position unless unanimously decided by the Executive Committee. The Executive Committee may not vote for themselves in this scenario.

Potential officers must not be on disciplinary probation, must be enrolled in at least 12 units currently (not applicable to transfers), and must have a minimum cumulative GPA of 2.0 and not have been on probation for the most recently completed term prior to the term of election.

Officer elections are held via an interview process after which all current officers convene and anonymously vote on the next year's officers.

Newly elected officers are invited to weekly officer meetings one week after decisions are made (latest by Week 5 of Spring Quarter). Then, new officers will work with current officers who hold the same position, and begin the transition. New officers gain complete control at the end of Spring Quarter.

ARTICLE VI. SECTION 4 GENERAL OFFICER RESPONSIBILITIES

All Executive Committee leaders and appointed officers shall make a commitment of a minimum of eight hours per quarter to assist and facilitate events and projects for Engineers Without Borders at UC San Diego. Officers must fulfill this quota in addition to other duties and meeting requirements. It is the duty of each individual officer to inform the Vice President Internal of his/her attendance at events and projects. This commitment can be

fulfilled in a variety of ways, including, but not limited to, attendance at project meetings and non-meeting events (including conferences, excluding social gatherings). All Executive Committee members and appointed officers are required to partake in fundraising activities.

ARTICLE VI. SECTION 5 OFFICER REMOVAL/ABSENCE

Should the desire for an officer to be removed, a special officer meeting shall be held in which the officer in question may defend oneself. The officer in question shall be asked to exit the room, allowing other officers to hold an anonymous poll deciding the fate of the officer in question. The vote must have no more than 1 “against removal” vote for the officer in question to be relieved of duties.

In the event of an officer’s removal or extended absence, the Executive committee shall decide a suitable replacement out of general members or promote from within the current officers. An interview for replacements must be held with all the Executive committee present and in agreement.

In the event of a vacancy in the office of the President, the Vice-President Internal shall succeed the office. Vacancies in the office of the Vice-Presidents shall be filled by the Executive Committee from among the other Officer Positions. Vacancies in the remaining Officer positions shall be filled by general due-paying members.

ARTICLE VII. RISK MANAGEMENT

Engineers Without Borders at UC San Diego is a registered student organization at the University of California, San Diego, but not part of the University itself.

Engineers Without Borders at UC San Diego understands that the University does not assume legal liability for the actions of the organization.

Engineers Without Borders at UC San Diego will carry a mobile medical kit when working on projects using machinery/hazardous materials. Only those members experienced with such equipment as exhibited by lab work will be allowed to work with machinery/hazardous materials. Those not experienced must be taught by a member cleared by the Executive branch of Engineers Without Borders at UC San Diego.

ARTICLE VII. SECTION 1. IN CASE OF INTERACTION WITH MINORS AND/OR THE ELDERLY

Engineers Without Borders at UC San Diego is aware that all registered student organizations that serve minors or the elderly have access to training on child and elder abuse prevention for its members via the Center for Student Involvement, online or in person (in person by request only). Engineers Without Borders will develop plan(s) for activities and events where members will be interacting with minors or the elderly such that members will receive education and/or training on Child Abuse Neglect Reporting Act (CANRA), common sense measures to both avoid child or elder abuse allegations (i.e. avoiding one-on-one situations; working with minors in plain view of others; limiting calls/texts/social media posts or other communications with minors), and how to properly report potential harm or neglect to minors or the elderly with whom they are working.

ARTICLE VII. SECTION 2. IN CASE OF THE PROVISION OF MEDICAL ASSISTANCE

In the event that Engineers Without Borders at UC San Diego provides medical assistance to a community, all volunteers will work under the direction of licensed professionals (doctors, nurses, counselors, etc.). The University does not recommend that students provide medical assistance.

ARTICLE VII. SECTION 3. IN CASE OF INTERNATIONAL TRAVEL

Engineers Without Borders at UC San Diego recognizes that the University generally recommends against all international travel by Student Organizations due to the myriad of risks travelers face in foreign countries. Student organizations are discouraged from traveling to foreign countries due to the wide variety of risks involved with foreign travel, and the extensive planning efforts required by the Student Organization's Members to manage those risks. Security risks and health care services vary widely from one country to another, so thorough research on those topics is especially important.

International travelers are advised to research US State Department Travel Advisories and the CDC Travel Health site and abide by all recommended alerts and warnings, and procure travel insurance with medical coverage that covers their chosen destination because most USA Health Plans are not valid in foreign countries.

ARTICLE VII. SECTION 4. IN CASE OF HANDLING OF HAZARDOUS CHEMICALS, MATERIAL, EQUIPMENT, AND/OR MACHINERY

Engineers Without Borders at UC San Diego recognizes that all student organization activities must be conducted safely, in accordance with all applicable federal, state and local laws. Additionally, Engineers Without Borders at UC San Diego will abide by UC San Diego requirements for students in labs, including policies for minors in UC laboratories, and ensure members receive safety training regarding the use of chemicals and/or machinery before entering the lab. Members must follow any best practices and lab safety protocols for the use of such chemicals, research equipment or machinery, including the appropriate use of Personal Protective Equipment, and should work under close supervision of those trained in the handling of chemicals/use of research equipment or machinery.

ARTICLE VIII. COMMUNITY ADVISOR

Since Engineers Without Borders at UC San Diego is a Pre-Professional organization, we require a Community Advisor.

ARTICLE VIII. SECTION 1 REQUIREMENTS FOR ADVISOR

An advisor shall be a UC San Diego faculty member, Engineers Without Borders at UC San Diego alumni, or a community member who shall advise the Chapter in making and assist the Chapter, as requested by the Executive Committee, in implementing decisions that promote the goals and aspirations of Engineers Without Borders at UC San Diego.

ARTICLE VIII. SECTION 2 SELECTION OF ADVISOR

An individual shall become the advisor following subscription to the Constitution of the Chapter and is approved by a majority vote (greater than 50% vote) among the Executive

Committee and the appointed officers.

ARTICLE VIII. SECTION 3 TERM FOR ADVISOR

The advisor shall serve a term of one year equal to that of the academic year and shall not be subject to annual Chapter dues.

ARTICLE VIII. SECTION 4 ROLE OF ADVISOR

The advisor will be expected to do the following:

- ☐ aid the Executive Committee and appointed officers in management and organization of meetings
- ☐ advise the Executive Committee and appointed officers in efforts to maintain or surpass the goals set by Engineers Without Borders
- ☐ be familiar with this Constitution

ARTICLE IX. FINANCIAL MANAGEMENT

ARTICLE VIII. SECTION 1 FINANCE OF ACTIVITIES

Engineers Without Borders at UC San Diego will finance its activities through external donations to the Chapter of Engineers Without Borders USA (EWB-USA) and through on-campus fundraising events. Furthermore, if Engineers Without Borders at UC San Diego is registered with the Center for Student Involvement as an undergraduate organization and has at least one Officer holding Principal Member status, Engineers Without Borders at UC San Diego may also receive financial support through Associated Students (AS) for its activities on a quarterly basis.

ARTICLE VIII. SECTION 2 ORGANIZATION OF MONEY
