

RAAS RUCKUS AT UCSD
CONSTITUTION
2019-2020 ACADEMIC YEAR

Article I. Name of Student Organization

The organization shall be called Raas Ruckus Dance Team at UCSD.

Article II. Statement of Purpose

The competitive garba & raas team at UCSD is a non-profit, recreational club with a cultural twist. This group promotes Garba & Raas, two interrelated West-Indian dance forms that originated from the state of Gujarat. In this day and age, Garba & Raas have been transformed from the deeply traditional precursors to the more energetic, contemporary form that is practice by this team. In addition, simply developing and performing modern Garba/Raas choreography on campus, this team intends to partake in national, collegiate Garba/Raas competitions, thereby representing the University of California San Diego and promoting school pride. At the local level, this team also seeks to promote cultural and social awareness of this dance form and the related cultural connotations by performing on campus, and at nearby universities, as well as by eliciting participation from the student body. An implicit goal of this organization is to build a community at UC San Diego for all students who dance for the team and wish to be involved.

Article III. Nonprofit Statement

Raas Ruckus Dance Team at UCSD is a non-profit student organization.

Article IV. Requirements for Membership

The competitive garba & raas team at UCSD is open to all UCSD undergraduates. The maximum membership is 30 members, many of which will be extras or substitutes. At the competition level, most equivalent teams have about 16 performing members, so that is our predicted active/dancing member count.

To select dancers, there will be annual tryouts held by the captains/officers. Those who tryout will be taught a routine by captains/officers and will be evaluated based on a final performance of that dance. There is no priority given to returning members, simply on the basis of past membership; each year requires a new routine and those who perform the routine best and show the most potential will be selected. Much of the selection is at the discretion of the board members, but the higher goal of team success will be kept in mind.

Once members are selected, they are required to attend all meetings and practices. Any conflicts must be brought to the captains/officers attention prior to the meeting/practice in question. Essentially, commitment is integral to the success of the team and will be expected of all members. Members that do not give notice of missed

practices or chronically miss practices will be warned and can be replaced/removed upon the evaluation of the board.

Article V. Frequency of Organization Meetings

Official general body meeting will be held twice during the year: once in the beginning of the year for team selection purposes and once at the end of the year for board selection purposes. There will be minor meetings held throughout the year for discussion on competitions and administrative components. Also, there will be mandatory weekly practices that will be coordinated based on member availability.

Article VI. Qualifications for Holding Office and Methods of Selecting and Replacing Officers

The Garba Dance Team at UCSD will be led by a board. This board will be capped at a maximum of 5 members that will work as a team and share the responsibilities of leading the team and completing the below duties.

- Setting up tryouts
- Judging and selecting dancers at the initial tryouts
- Organizing and supervising practices
- Developing and teaching choreography
- Applying to competitions
- Organizing the competition experience (travel, accommodations)
- Promoting fundraising and sponsorship to minimize member cost
- Preserving order within the group

If an individual steps up to be captain of the team, he or she will take charge of the board, and help to delegate responsibilities to those who wish to take them on. Inevitably, unforeseen tasks will arise, and it is an implicit responsibility of this board to handle these tasks cooperatively and appropriately.

The board members (officers) are to be re-elected every year with the consensus of the team. Only registered UCSD students may hold office in the organization. Only registered UCSD students may vote in elections for the selection of the organization's officers. There shall be no limits on an officer's term, only the requirement of maintained excellence. Under certain circumstances, an officer may be dropped or replaced; this is based on the perception that the officer in mind is unfit to carry on his or her responsibilities. Though this can be influenced by the opinions of the whole team, this will be a decision for the remaining board to make.

Article VII. Risk Management

Raas Ruckus Dance Team at UCSD is a registered student organization at University of California, San Diego, but not part of the University itself.

Raas Ruckus Dance Team at UCSD understands that the University does not assume legal liability for the actions of the organization.

Possible risks associated with Raas Ruckus activities include injuries caused by the dance which include (but are not limited to): sprains, fractures, tendonitis, etc. These risks are easily alleviated with rest and proper care.

Article VIII. Financial Management

There will be some minimal costs for this team, mostly associated with competition application and travel, costumes and jewelry, and props. The garba & raas team will fundraise on the UC San Diego campus as well as solicit donations from other established on-campus organizations. Depending on the outcome of such soliciting/fundraising, members may be asked to pay dues. The monetary amount of the dues will be determined when necessary. Because costs will be relatively punitive, a budget will not be necessary. All financial transactions/activity will strictly adhere to UCSD guidelines.

Article IX. Affiliations

This group is affiliated only with UCSD. There is no immediate need for sponsorship, and any off-campus fiscal interaction will be taken as donations.

Article X. Amending the Constitution

The constitution may be amended by a majority vote of the captains/officers when necessary.
